From The Executive Director

Written by Lynn Tanner, CMCA

Thank you to all of the residents who donated swim-suits to the YMCA’s Urban Swim Program. Those that have not had a chance to do so yet, you still have an opportunity to do so. The collection will remain at the Oberon Pool for the rest of the summer season. The donations are greatly appreciated and will be put to good use!

The Annual Luau will be held on Saturday, July 18. A reminder to pool patrons that the Oberon Pool will be closing at 4:00pm that day, so that staff and Recreation Committee volunteers can set-up for the festivities. The Luau is for residents and corporate park members 21 and over. The Rec Committee will be providing the pulled pork sandwiches, refreshments (featuring Anheuser-Busch products) and all place settings. Residents are asked to bring a dish to pass. Additional details are available on the cover of this issue.

All of our regular summer recreation programs are now in full swing. Many children are enjoying time with friends at the Summer Rec Program and swim lessons at the Oberon Pool. If your family is participating in these programs, be sure to sign-up to receive eMail Bulletins to notify you of cancellations and other pertinent information. Other upcoming events include the Dodgeball Tournament and Teen Pool Parties!

The River Park has not been used nearly as much this summer, as in years past, due to the weather conditions. As many boaters are aware, the Canal System has been shut down several times due to high water, and overall the weather conditions have not been favorable for picnics and other waterfront activities. If you are a boater and would like to find out about canal closures or other information, you can visit their website at http://www.canals.ny.gov.

If you haven’t yet been to the Radisson River Park, it is located at 8940 River Road, north of the Glacier Ridge Road. To utilize the River Park, Radisson residents and Corporate Park members can purchase keys at the RCA Office or the Oberon Pool Office. The River Park entrance key is $5 and the Boat Launch Gate key is $45 (provides you access to the River Park entrance and the Boat Launch Gate). There is a shade shelter for picnics, you can enjoy the sun sitting on the dock, launch your kayak or go for a boat ride.

This year, work is scheduled to be done on the tennis and basketball courts located at Drakes Landing Field. While that work is being completed, the courts will be closed for use. We will try to accommodate tennis leagues as best we can. A notice will be sent out via our eMail Bulletin system to the Community News group.

The suspension bridge at the Kerri Hornaday tot-lot became dangerous and was unable to be repaired last summer leaving no choice but to remove it. That was definitely a very popular item on the structure and many were sad to see it go. It has been a difficult decision as to how, and if, to replace it. The tot-lot structure is fourteen years old, and has a normal life expectancy of eighteen years. Serious thought needed to be given as to how much to spend on new accessories to an existing structure that’s nearing the end of its life expectancy.

The Operations Committee reviewed the options to either replace the bridge, or leave the structure as it had been since last year, with a couple of disconnected pieces. Ultimately, the decision was made to budget for a replacement bridge in this fiscal year’s budget. The bridge was replaced last week, and when I went to look at the completed work just minutes later, it was already in full use by several very happy kids! I have been told that many of participants (and their parents) of the Summer Rec program were very glad to see that the bridge was back in place.

Common Property Notice

As per the Radisson Declaration of Protective Covenants, Conditions and Restrictions, (Radisson Declaration) property owned by the Radisson Community Association is Common Property. RCA Common Property is under the jurisdiction of the RCA Board of Directors. It is its responsibility, which the Executive Director enforces on its behalf, to ensure that the Common Property is not used for unauthorized purposes (i.e. driving ATVs on open land) or maintained by anyone other than RCA personnel (i.e. mowing areas near your own personal property). Every Resident and Owner has a non-transferable privilege of enjoyment in and to all Common Property for so long as s/he shall be a Resident or Owner in good standing. Certain areas that the Association owns may be maintained, such as: the playgrounds, along the pathways, the medians, etc. while others will remain in their natural state. While the Association makes every attempt to keep the Common Property areas safe, residents should be aware that there may be naturally occurring dangers in the wooded areas and elsewhere on other Common Property.

Scenic Easement Notice

There are some residential properties located within a Scenic Easement in the community. If your property is, this information should be noted in the Abstract of Title to your property. The Radisson Community Association (RCA), as delegated by Empire State Development (ESD), has the responsibility to uphold the standards of the Scenic Easement, for all its residents. One of the regulations of the Scenic Easement is that no buildings or structures can be installed on it by owners of the property within the easement area.

There is no action required on your part at this time. This notice is for informational purposes only, to ensure that you are fully aware of the potential property restrictions.

Time Warner Cable (TWC) is the community’s preferred service provider for cable, internet and phone services. Richie Acevedo, Radisson’s Time Warner Cable (TWC) Concierge, can offer Radisson residents FREE Installs and FREE Transfers, swapping equipment and tips on ways to manage your relationship with TWC. Residents can now get internet, TV and phone starting as low as $75.00 (after taxes). Call or text Richie, Radisson’s TWC Concierge, directly at 315-436-4728 for more information!

Please note that standard technical and trouble calls need to be called into TWC customer service 315-634-6000.
Radisson Community Shredding Event
Courtesy of Dependable Disposal

Do you have confidential papers that you want to clear out of your house, but you don’t have a shredder or don’t have the time to feed them one-by-one into a tiny home shredder? Plan on attending the Radisson Community Shredding Event, courtesy of Dependable Disposal!

Radisson residents can bring their confidential papers to the Oberon Pool parking lot to be shredded on July 25 (rain date of August 1). Residents may bring one box per household (no larger than a banker’s box) OR two, grocery-size paper bags, with personal records such as medical documents, bank information, tax documents, etc to be shredded. Residents do not need a reservation and there is no charge, thanks to the generosity of Dependable Disposal!

WHERE: Oberon Pool Parking Lot
WHEN: Saturday, July 25th from 8am to 10am
RAIN DATE: Saturday, August 1 (same times)

Participants should do the following:

1. Pack confidential documents, loosely, in one durable box or two paper bags. (No plastic bags will be accepted.) Remove binders or other non-paper contaminants.
2. Bring the acceptable amount of documents generated or received at home, per vehicle. Only materials generated at home will be accepted. Materials from businesses are not accepted at the event.
3. Enter the parking lot as indicated. The parking lot will allow for only ONE-WAY traffic during the event.

Residents [in the Community-Wide Automated Trash Service beginning 10/1/15] will have the opportunity to view the three different size totes (35, 65 or 95 gallon) available for use, when the new service begins. Dependable Disposal staff will be on-hand to confirm your acceptance of the designated 65-gallon totes or for your selection of a different size.

Community-Wide Automated Trash Service

IMPORTANT DATES TO KNOW

7/15/15: Residents will be mailed an informational pamphlet from Dependable Disposal.
7/15/15: The website link at www.dependable-disposal.com/radisson will be activated to allow residents to access their property address to select different tote sizes (for trash and recyclables), if they would prefer a size other than the designated 65-gallon tote.
7/18/15: LUAU! We will be using the three different size totes for trash and recyclables at the Luau. Check them out first-hand while at this event!
7/25/15: Community Shredding Event! View the totes, in person, and confirm your selection of the 65-gallon totes, or select a smaller and/or larger tote at this event.
8/8/15: FOUNDER’S DAY! Stop by the Dependable Disposal booth to see the different size totes, in person, and make your final tote size selection.
8/14/15: Deadline date for residents to select a tote size. (tote size changes after this date will incur a $12 fee, applicable directly to the resident)
10/1/15: Start Date of Community-Wide Automated Service

*Stop in the RCA Office any time to see the 35, 65 and 95 gallon totes displayed. Please Note: tote selections MUST be made via the website portal OR at one of the events listed above. The RCA staff cannot take tote size orders.

**Specific dates to drop-off totes have not yet been determined. In addition, Dependable Disposal will pick up trash cans that residents no longer want, at a date to be determined. Recycling blue bins will NOT be picked up by Dependable. Arrangements are being made with OCRRA (Onondaga County Resource & Recovery Agency) for a drop spot within the community where residents can leave their blue bins if they do not want to keep them for another use. OCRRA will pick-up and re-use the blue bins that are dropped off by residents. Dates & locations for the blue bin drop-off have not been determined yet.

SIZE AND INFORMATION ON TOTES

Each Radisson resident will receive a 65-gallon tote for trash and a 65-gallon tote for recycling free of charge.

If you prefer a smaller or larger tote, you may select a 35-gallon or 95-gallon tote for either trash and/or recyclables. To change to one of these tote sizes, you must visit www.dependable-disposal.com/radisson to make your selection. Or you can do so, in person, at the Community Shredding Event or Founder’s Day. Please Note: the RCA staff cannot take tote size orders.

When selecting the proper tote sizes for your household use, please keep in mind the Architectural Standards Guidelines indicate that garbage and recycling containers may not be stored outdoors between collection days.

Please Note: the automated trash service does not include condos or apartment complexes as they have their own dumpster service for trash.

**Please Note:** **KERRI PARK WILL BE CLOSED DURING SUMMER REC HOURS**  
Beginning June 29th through July 31st, Kerri Hornaday Memorial Park will be closed to the public Mondays-Fridays from 8:30am-12:15pm. ONLY Summer Recreation staff and participants will be allowed at the park during those times. This does include the upper and lower baseball fields, the soccer field, basketball courts, Kids’ Kingdom tot-lots and pavilion. We have always closed the location of the Summer Recreation program to the public for a number of reasons—safety of participants being the main concern.  
We understand that this may inconvenience some of you that live near Kerri Park, but the overall safety of our participants is our main goal. Please keep in mind the Radisson Community offers many other tot-lots and our Drakes Landing Park playground located at Drakes Landing and Glacier Ridge Roads will be open.
